As you will see, I'm Bluy, whose role through this tale is to lead. What is something you lead?

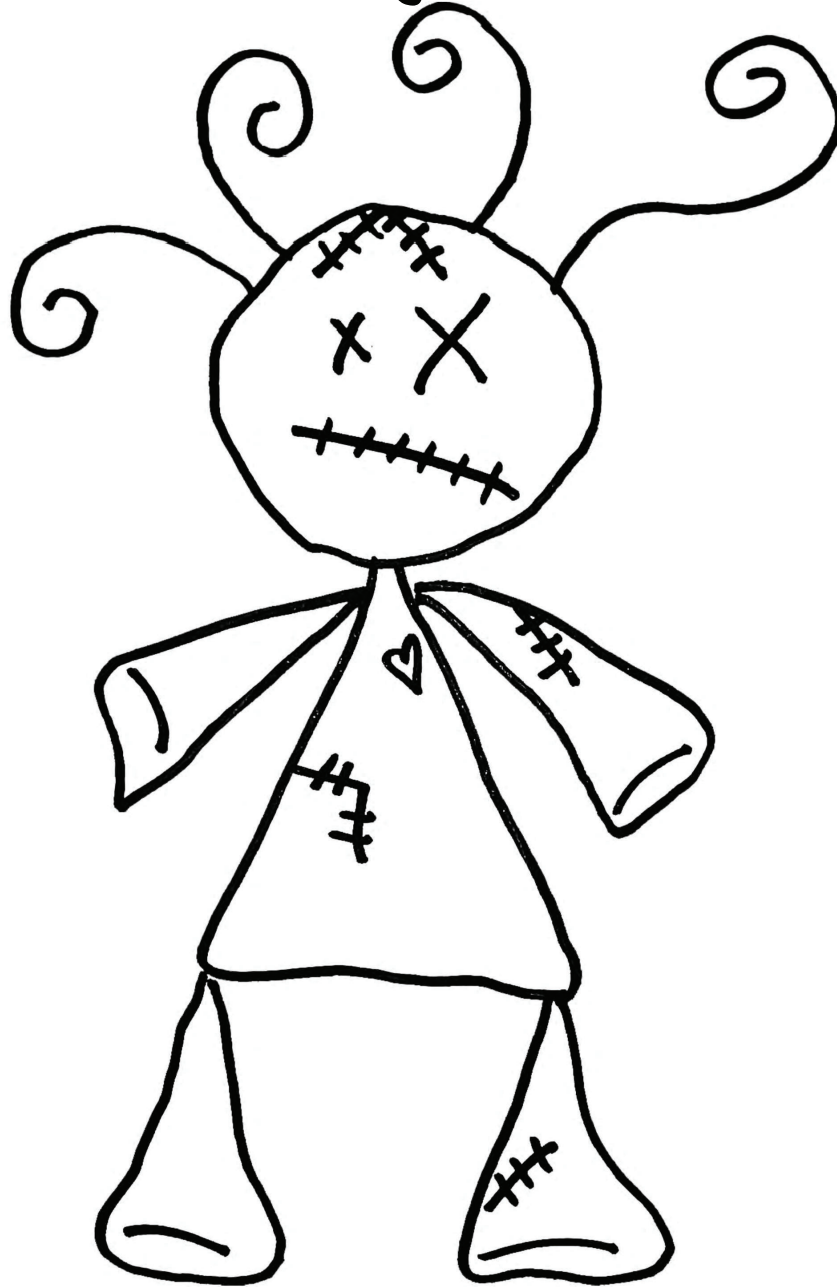

**Meet the Wost, a knowing host, who sees
the most. What do you notice that
others often don't?**

**Meet the Xio who believes it knows all
there is to know. What do you know
more about than most do?**

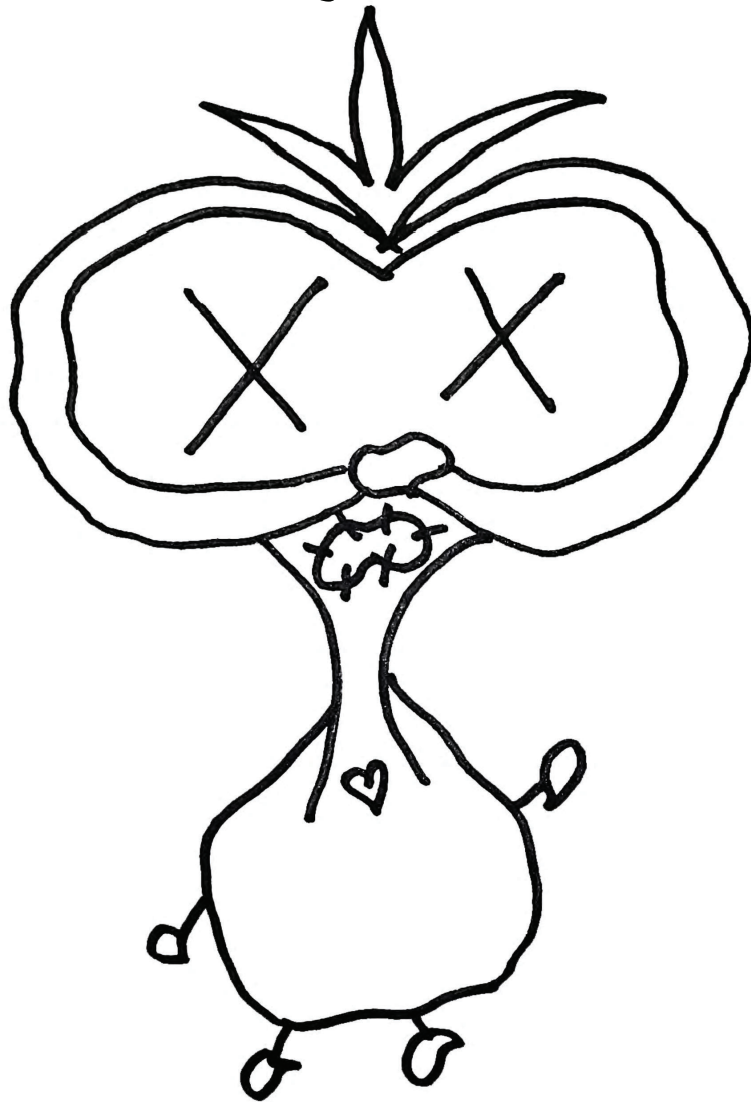

**Serving its part, meet the Yart who leads
with heart. What do you care most about?**

**Also, along, meet the Zon who is known
for its brawn. What makes you feel strong?**

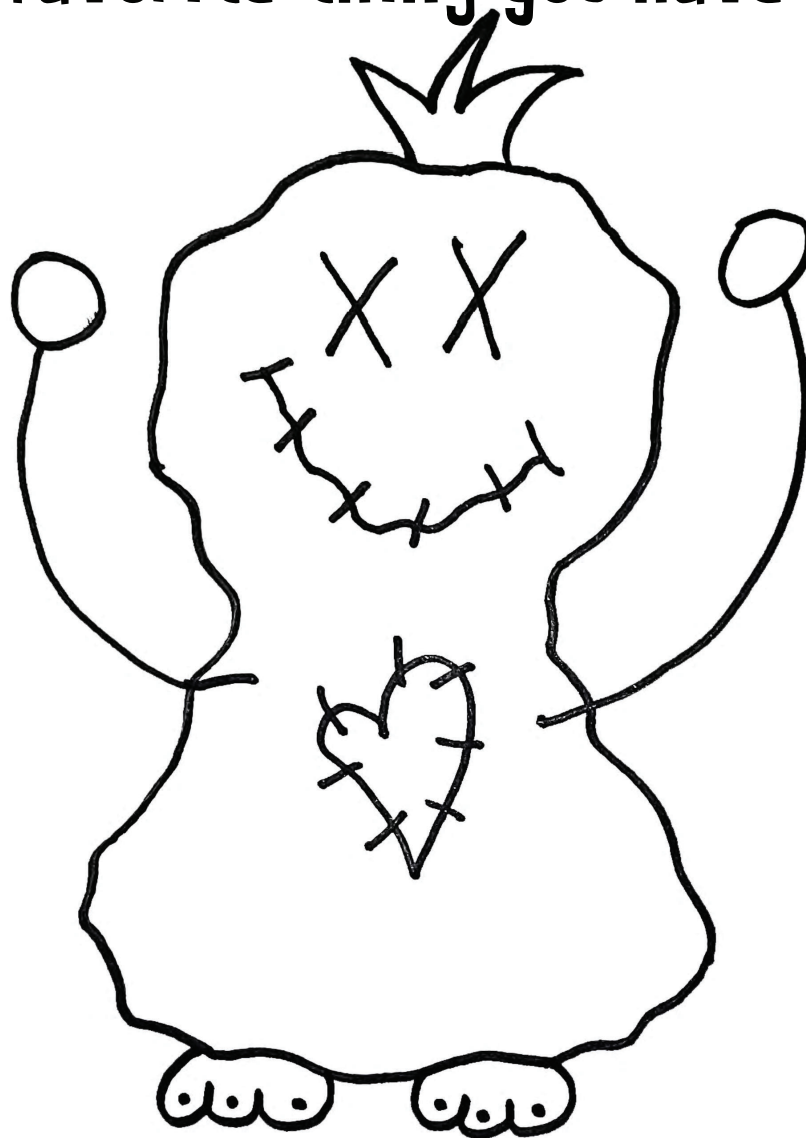

**Err... I'm Plur and can be a bit anxious
and unsure. Do you have something that
makes you anxious?**

Good day! I'm called Yeii and spend a lot of time outdoors for play. What do you enjoy spending time doing?

**Nice to meet you! I'm Qevu and focus on
the positive in all that I do. What is
your favorite thing you have done?**
